

FIBER CEMENT RAINSCREEN

Tully Hall – Juilliard School

New York, NY

One of the most expansive and ambitious renovation projects in Manhattan was complete with a Cem5 engineered fiber cement rainscreen solution from Cladding Corp. With our Alice Tully Hall fiber cement rainscreen already in place – the new Lincoln Restaurant Pavilion and green roof are also a great addition!

System Type: F1.40

Panel Type: Cem5

Architect: FXFOWLE - NYC

Installer: Jacobson & Company

Completed: 2008
