

STONE RAINSCREEN

Temple University Science Ed

Philadelphia, PA

USA Architects designed the new Temple University Science Center using a stone rainscreen with Plus5 attachment system. The concealed and adjustable attachment system was selected. There has been a growing trend in stone rainscreen and Cladding Corp's various concealed or exposed sub-structures are gaining more attention.

System Type: F1.40
Panel Type: Stone
Architect: USA Architects
Installer: Philadelphia D&M
Completed: 2014
